# WA1500

NRC

Issued: 15 March 2008

### PA Nationals, Belmont OLD

#### For the 2008 Nationals:

#### Eyewear:

Rule 3.7.1/3.7.1.1 – the prohibition on an opaque lens and/or opaque side blinders will not be applied.

#### Foot Faults:

Rule 7.4.2.3 – the penalty of 10 points per shot will not be applied to more than one shot with a foot fault.

#### Crossfires:

Inadvertently left out of the interim rules is “If more than the required number of hits appear on the target, any shot which can be identified by the bullet hole as having been fired by some competitor, other than the competitor assigned to that target or as having been fired in a previous string, will be disregarded and will not be scored. If more than the required number of hits then remain on the target a complete new score may be fired...”

This obviously applies
